Glacier Bay Day Cruise

With tidewater glaciers, ancient snow-capped mountains, *plus* whales, steller sea lions, rare birds and coastal bears, Glacier Bay National Park offers something new for you to discover at every turn. Our comfortable, heated high speed catamaran is the only scheduled day tour boat in Glacier Bay National Park. This eight-hour voyage of discovery is a grand experience that promises you a lifetime of memories.

- See towering tidewater glaciers
- Enjoy a National Park Service ranger-led interpretive program about area wildlife and history
- Lunch and beverage provided
- Complimentary tour souvenir
- Ask your host about convenient transfers from area lodges

ARAMARK/Huna Totem JV is an authorized concessioner of the National Park Service.
